

Nancy W. Campbell
Senior Program Director
Philadelphia Academies, Inc.

Ms. Nancy Campbell has been with the Philadelphia Academies, Inc. since November of 1983. She began working as a consultant for the Academy of Applied Automotive and Mechanical Science (Automotive Academy) and the Academy of Applied Electrical Science (Electrical Academy). She continued as Employment Program Coordinator and, in September of the 1994/95 school year, she accepted management responsibility for the Academy for Fitness, Health Promotion and Sports Education (Fitness Academy), while continuing Employment Coordinator duties for three Business Academies and one Hotel, Restaurant & Tourism (HRT) Academy. During the following school year, Ms. Campbell assumed additional management responsibility for the three (3) Hotel, Restaurant and Tourism (HRT) Academies, for approximately two years. As of the 1996/97 school year, Ms. Campbell became part of the senior management team as a Program Director, and was promoted to Senior Program Director in beginning the 2000/01 school year. Through several internal reconfigurations, Ms. Campbell is now responsible for five (5) Health Academies, as well as the Information Technology (IT) Academy. Her responsibilities include being liaison for the business partners of the Health and IT Academies Boards of Governors and budget oversight for these programs. Ms. Campbell also interacts, individually and in groups, with Academy students and teaching staff, as well as with the administrations at her Academies' host high schools.
